

Family Nights

Through corporate and personal donations, the Newport Recreation Department, Sue Cooper Director, presents weekly family nights. Starting in July, every Tuesday night there are free concerts on the boardwalk. Great times for the whole family! Wednesday night is **Beach Idol** night for kids under 13. Thursday night is kid's night. Clowns, magicians and storytellers will entertain and mystify your children.

The Snack Bar is open every family night. For more up to date information, live webcams, and surf reports visit our website at www.eastonsbeach.com

Newport's beautiful 3/4 mile long beach has been home to many an attraction over the decades. Complimented by a boardwalk, home to vendors and gulls alike, Easton's beach is the perfect hangout for family, friends, and tourists.

Don't want to deal with the hassle of packing beach chairs, umbrellas, buckets, boogie boards, and surf boards? All are welcome to Rosie's rentals and gift shop where everything from sand toys to sun-screen to surfboards are available for purchase or rental.

The Carousel at Easton's beach is fun for all ages! For \$1 per ride, anyone can enjoy the brightly painted horses and lively music that makes this attraction a one-of-a-kind experience.
